### Join us for the Association of American Railroads (AAR) 39th Annual Quality Assurance Industry Conference

### February 9-11, 2027 in St. Petersburg, FL
### Hilton St. Petersburg Bayfront

Engage with railway industry professionals, network with AAR auditors, and learn about the AAR's M-1003 auditing process. This three-day event, hosted by the AAR Quality Assurance Committee and MxV Rail, features keynote speakers, industry leaders, and suppliers, sharing insights on emerging railway technologies and new ways the M-1003 Program helps move the industry forward. The event also provides timely updates from the AAR's Quality Assurance Committee and Technical Committees.

**$950/person through 1/13/27**
$1050/person after early bird expires

*Register by 1/13/27 and save!*
*Hotel group rate also available.*

**Visit www.mxvrail.com/Conferences for event details and registration.**

While this conference is a forum for AAR Auditors, anyone interested in the M-1003 auditing process is welcome! Questions? E-mail QA@aar.com.
